

src/basic/inc/BoxSubset.h

```
graph TD; A[src/basic/inc/BoxSubset.h] --> B[queso/VectorSpace.h]; A --> C[queso/VectorSubset.h];
```

The diagram illustrates the dependencies of the header file `src/basic/inc/BoxSubset.h`. It is represented as a central box at the top, with two arrows pointing downwards to two other boxes. The left box contains the text `queso/VectorSpace.h` and the right box contains the text `queso/VectorSubset.h`. The top box has a grey background and a black border, while the bottom boxes have white backgrounds and grey borders.
