

src/stats/inc/ScalarCdf.h

```
graph TD; A[src/stats/inc/ScalarCdf.h] --> B[queso/StdOneDGrid.h]; A --> C[queso/Environment.h]; A --> D[math.h]
```

The diagram illustrates the dependencies of the file `src/stats/inc/ScalarCdf.h`. It is represented as a root node in a grey box at the top. Three blue arrows point downwards from this root node to three child nodes in white boxes: `queso/StdOneDGrid.h` on the left, `queso/Environment.h` in the center, and `math.h` on the right.

queso/StdOneDGrid.h
